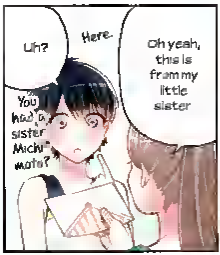
This way you can gauge your current shape.
Pyuu~
Pyuu~
and go in the best conditions

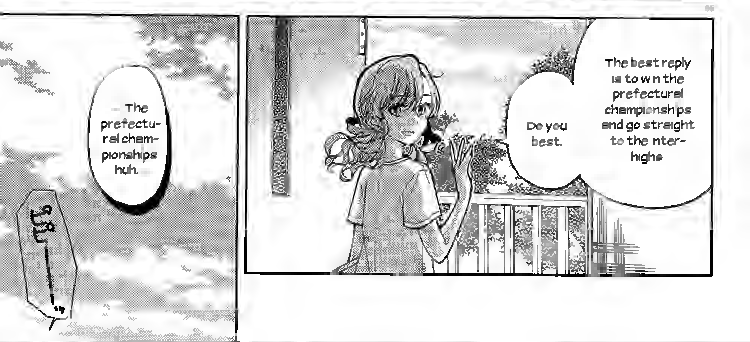


Uh?
Here.
Oh yeah, this is from my little sister
You have a sister, Michi-mata?

That's a 1000 crane batch...
Impressive
Yeah, the juniors made it.

She's one of your fans she says.

WAH!
How lucky
I'd so like to receive one too.
A fan letter
Haha
It might be a bit hard for the manager
Well, it's cool and all, but I don't really know how to react.
I've got nothing to reply to her



The best reply is to win the prefectural championships and go straight to the Inter-highs
Do you best.
The prefectural championships huh.

Before we graduate, I'd like to show her what's beyond...
SINCE SEIRAN NEVER GOT PAST THE PREFECTURAL LEVEL, IT'S A BIT HARD FOR ME TO IMAGINE...
IF WE FAIL, IT'LL BE TIME FOR US TO RETIRE FROM THE TRACK TEAM.
BUT...
You can leave before me, you know?
Nah, I'll just wait for you.
Aren't you a bit tense?
For the champ-onship.
Hum, as long as you're looking at me, I can give it my all, so it's fine.

She sent an e-mail to cheer you.
Look.
Yeah.
She had made me bite the dust.
The one from West High, do you remember?
Ah.
Right, there was that girl we met during the regional champion-ships

For now, I don't really want to lis-ten to other girls...
...I think.

I'm sorry.
I don't tell you, then.
Hm?

Just seeing you talk cheerfully with the other members bothers me.
I feel strange, lately...

I always want to keep you for myself
And honestly, I'm constantly filled with negative thoughts...

No, it's me.
That was a bit embarrassing, wasn't it...
Huh?

Ah...
No, forget what I said..
But I can't do anything alone.
Because I do all this for you...
Will you be fine if I stop talking to other girls?
Hm.
What should I do?
It hurts –
Help me Moe
Hug
にぬ
!

You know perfectly well that I can't do that.
So I think we should stay away from each other for a while
What does that mean?

That means no Moe for you!
NO MOE FOR ME ?!
What?! How?!

No Moe for me ?
Err. What do you mean by..
I heard that Ruri (an underclassman) had stopped eating her beloved ice cream before the regional championships
And that she performed pretty well
That's what I'm talking about.
So you're like my favorite food. ?
11
I think you need to calm down
It hurts because you keep thinking "I do it for Moe"
Of course I'm happy that you hold me so dear
But there are equally important things that you should have in mind, right?
So until the end of the championships, you are forbidden to think about me, got it?
